Dear Ms. Burgess:

We would like to take this opportunity to thank you so much for your donation of a registered Border Collie pup - JB Lightening to the 2010 Black and White Gala. Through your support, the Friends of Texas Health Cleburne and *The Black and White Gala* are able to provide life saving services to the underserved community in Johnson County.

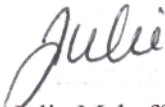

Over the past 18 years, the Black and White Gala has benefited thousands of Johnson County residents. The Gala supports "Shots for Tots," "Mammograms are a Must!" and "Know Your PSA." These free healthcare programs provide childhood immunizations, mammography and prostate screenings, educational materials and community outreach to men, women and children who would not otherwise receive these preventative services.

Additionally, this year's proceeds will provide funding for the Ladders in Nursing Careers (LINC) program. Through the program, a student can work part-time at the hospital while attending college and still retain their full-time salary and benefits. The reduced work schedule provides time for study and a shortened timeline to graduation and the launch of a nursing career. The LINC program changes the lives of every student who joins the program.

We are proud to provide this vital support to Texas Health Harris Methodist Hospital Cleburne and Johnson County and we sincerely appreciate your partnership in our efforts!

Tax requirements state that a receipt from the charitable organization is required to receive a tax deduction and that we must inform you that you **did not receive any goods or services in return for the gift.**

Sincerely,

Julie Mahaffey
